## Technical Skills

**Languages and DataBases:** C++, JavaScript, HTML, CSS, SQL, MongoDB

**Frameworks:** ExpressJs, ReactJs, NodeJs, TailwindCSS

**Utilities:** Git, VS Code

**Area of Expertise:** Data Structure & Algorithm, Front-end & Backend development

**Other Skills:** Communication Skill, Analytical Skill, Problem Solving

**Platform:** Windows 11 Server Edition

## Experience

### Learnticks Edutech

April 2024 – May 2024

#### Fullstack Intern

- This internship has been a tremendous learning experience. I improved my coding skills, gained practical experience in modern development tools and methodologies, and learned the importance of clear communication and teamwork in a remote setting. I also developed a better understanding of the software development lifecycle and the critical role of continuous integration and deployment in maintaining high-quality code.

## Personal Projects/Awards & Achievements

### Voting App (Backend)

June 2024 – July 2024

#### GitHub Repository

- Creating a backend voting app using Node.js and MongoDB involves setting up a server that can handle voting functionality, such as creating polls, casting votes, and retrieving poll results.
- Voting app provides a functionality where user can give vote to the given set of Candidates.
- Tools & Technologies Used: JavaScript, Node.js, Express.js, MongoDB

### Blog platform (Full-Stack)

April 2024 – May 2024

#### GitHub Repository

- In this project I created a platform for users to create and publish their thoughts. It typically features tools for writing and formatting posts, managing comments, and organizing content into categories or tags.
- Tools & Technologies Used: HTML, CSS, JS, MERN

### Prototype Website (Front-end)

March 2024 – March 2024

#### GitHub Repository

- In this project i use HTML & CSS. It is a prototype for a website. The main purpose for creating this type of projects is to build a strong knowledge on Web Development.
- Tools & Technologies Used: HTML, CSS

## Education

### Siliguri Institute of Technology

Aug 2022 – July 2025

Bachelor of technology in Information Technology

CGPA: 7.55

### Jalpaiguri Polytechnic Institute

Aug 2019 – July 2022

Diploma in Electronics & Tele-communication Engineering

CGPA: 7.4

### Higher Secondary Board (Class 12)

Year of Passing: 2018

Uponchowki higher secondary school

Percentage: 72.4

### Secondary Board (Class 10)

Year of Passing: 2016

Uponchowki higher secondary school

Percentage: 62.8
